Opening Prayer (Psalm 67:1-2)

[1] May God be gracious to us and bless us and make his face to shine upon us,

[2] that your way may be known on earth, your saving power among all nations.

Heavenly Father, we thank You that You are permanently and wonderfully gracious to us, who deserve nothing but judgement. We thank You that Jesus showed us Your love and grace in a way that unmistakable and costly. We thank You that now the Holy Spirit imparts His life to us and continues to sanctify us, so that we show the world the love of Jesus in our actions.

We thank You for preserving your Word through the generations, so that we have a sure foundation for our faith, and a daily reminder that Your face shines upon us.

We commit this time to You, especially set aside so that we may praise and worship You, Father, Son and Holy Spirit.

In Jesus Mighty Name we pray, Amen.
