

Prayers for our World and the Church

30th August 2026

Psalm 70:4-5

[4] May all who seek You rejoice and be glad in You! May those who love Your salvation say evermore, "God is great!"

[5] But I am poor and needy; hasten to me, O God! You are my help and my deliverer; O Lord, do not delay!

Let us pray...

Thanks to God

O Lord, we come into Your Presence now, acknowledging that we are poor and needy, and loving Your salvation, saying "God is great!" because You have granted us mercy and peace, You have lifted our burden and removed our guilt. You have set aside the penalty for our sin, declaring it fully paid by Jesus, on the Cross. We thank You that we can rejoice in our freedom from sin's tentacles, even though we realize that we are not perfect, but that You always stand ready to forgive because Jesus now intercedes for us in the heavenly throne room, where You rule over all things in majesty.

We thank You for the Holy Spirit, Who is "God with us" daily. He is ever near and help is always at hand, without delay.

The Wide World... and the Wider Church

We pray for this world where a major flood has swept away many lives in Nepal. We thank You that nations around the world have pledged help with rescue and recovery. We pray that there might be an effective Christian witness alongside the civilian rescue work.

We continue to pray for trouble spots such as Nigeria where violence has eased but tensions still simmer against Your people. We again ask for courage for those in the firing line and peace in their hearts as they sense the closeness of the opposition they face.

We pray also for the Kurz family, currently on deputation travel in Germany, and who are still in need of support before that can move out to the PNG mission field. We thank You that we can support them this month in our missions giving and ask that You would multiply our giving so that Your calling to them is not delayed, but that Your purposes for them can be fulfilled according to Your timing. We pray for strong growth in the many churches where Your Word is faithfully preached and lived, and that more and more people would come to know You as their deliverer, Who does not delay.

Ashburton

We pray for our work here at Ashburton, as we resume the search for the man of Your choosing. We pray for the Selection Committee which meets next week. Grant them renewed vigour and Your wisdom, so that in the end, Your purposes prevail.

We continue in prayer for those in need of Your healing hand – for Douglas and Joan Milne, for Levi to continue responding to his medication, and others affected by illness or injury. We continue to uphold John and Gaye as John resumes his treatment program.

We remember those who are away from our fellowship. Grant them safety and blessing as they travel, and a safe return in due course.

We thank You for Your Word, and for Adi as he preaches today. We pray that we would be attentive hearers and effective do-ers of Your Word, so that our lives show forth more of the love of Jesus to those we meet daily. In His Precious Name we pray, Amen.
