

# Prayers for our World and the Church

## 10th May 2026

### **Psalm 62:1-2**

*[1] Truly my soul finds rest in God; my salvation comes from Him.*

*[2] Truly He is my rock and my salvation; He is my fortress, I shall never be shaken.*

Let us pray...

### **Thanks to God**

O Lord, we thank You that truly You are our Saviour, our only hope.

We live in a world You made by speaking Your word "let there be..." and this creation declares Your mighty power, showing us just how small we are. Only You can control our destiny.

We thank You that You are our rock and our salvation, our fortress of safety. We thank You that despite the fact that man turned away from You in rebellion, trying to run his life apart from Your Perfect Goodness, we have been forgiven by Your grace and mercy alone.

We thank You for sending Jesus to take our place, to suffer the righteous punishment we deserved, to free us from the guilt we knew, and to give us new life, so that we could live upright, instead of bending always towards sin and selfishness.

We thank You Holy Spirit, for being beside us daily, to steer us away from temptation's folly, and to sanctify us so that we progress towards our heavenly destiny with faith and perseverance.

### **The Wide World... and the Wider Church**

We pray for this world where so many live without a sure foundation, without knowing You, and therefore without a hope or a future. We pray for our own sensitivity to the plight of these lost wanderers, so that Your church would work in Your strength to tell as many as will listen of the sacrifice of Jesus for them, and of the assurance of salvation that they too can know, as we know.

### **Ashburton**

We continue to pray for our work here at Ashburton, as we also labour with our various talents and abilities in this same work of the Kingdom.

We pray for the Selection Committee which works to do Your will, so that Your purposes prevail. We pray for ourselves to support them as they serve on our behalf, and in the meantime we pray that we are not idle but energetic as faithful servants, doing the Master's work day by day.

We pray for our fellowship to deepen, as we care for one another, build each other up in our most holy faith, and especially at this time as we support Jan, coming to grips with her new circumstances without Allan.

We thank You for Your Word, and for Jake as he preaches today. We pray that we would be take due warning, making the most of the means of grace.

In His Precious Name we pray, Amen.
